

Household Hazardous Waste, Textile Recycling, Secure Shredding

FREE Event *

Saturday, August 17, 2024, 9am – 1pm

Mashpee Middle-High School, 500 Old Barnstable Road, Mashpee, MA

Household Hazardous Waste (HHW) Collection

	<p>Many everyday household products are dangerous to people, pets, first responders, and drinking water if thrown away in the trash. At this event, these toxic products can be safely and easily dropped off. For a full list of items, go to: https://www.capecod.gov/departments/cooperative-extension/programs/hazardous-waste-water-quality/household-hazardous-waste/.</p> <p><i>* This service is free for all Upper Cape Residents. Non-Upper Cape Residents will be charged a fee for their HHW products.</i></p>
---	--

Textile Recycling

<p>It's now the LAW!!! Textiles may no longer be placed in the trash and must all be recycled – even if worn, torn, stained, or one of a pair. This includes Bedding, Clothing, Clothing Accessories (belts, handbags, hats, scarves), Footwear, Placemats, Rugs (2'x4' or smaller), Tablecloths, Towels, and even Stuffed Animals – for both people and pets.</p> <p>While planning for the next change of seasons, why not place all your clean, dry, and unwanted textiles in a bag and drop them off! For additional info go to www.mashpeemec.us.</p>	
---	---

Secure Shredding

	<p>A Secure Shredding Company will be onsite to safely handle the destruction of documents containing your personal and confidential information.</p> <p>There is no fee for this service, compliments of the Mashpee Department of Public Works.</p>
