

Upcoming Media Storage Recycling Event

Media Storage Items dropped off for recycling will be shredded, with metals and plastics separated for reuse in other products. For any item in good condition that could be enjoyed by others (ex. DVDs, CDs), you may wish to donate them to a local thrift shop.

What You CAN Drop off for Recycling:

- 8 Track Tapes
- Floppy Disks
- Cassette Tapes
- VHS Tapes
- CDs
- Blu Ray Discs
- DVDs
- External Hard Drives
- Memory Sticks

What You CANNOT Drop off for Recycling (see NOTE below):

- 8 Track Players
- CD Players
- Cassette Players
- Computers
- DVD Players
- Record Players
- TVs
- VCR

NOTE: *Businesses such as Best Buy and Staples currently recycle electronic items, at no cost, such as computers, media players, and TVs. For a full list of items and how their programs work, visit their websites at: www.bestbuy.com and type “recycling service” in their search box, or <https://www.staples.com/stores/recycling>.*
